

A GLASS HALF FULL

EMPOWERMENT AND SUPPORT.

As part of a community effort to ensure inclusiveness, A Glass Half Full wants to help the underserved community in need of additional help at home. The basis of our mission is to provide grants for caregiving services to families and individuals that otherwise would not be able to obtain caregiving services. The goal is to give people the opportunity to live with dignity and hope.

Care Packages

Our care packages are designed to help low-income individuals supplement the monthly cost of household items. We recognize that public benefits such as CalFresh does not cover non-food items, covering the cost of personal household items can be a struggle for people on a limited income. Individuals must provide proof of income and proof of address.
